2. Shares Subject to the Plan

2.1 Reservation of Common Shares

The Company reserves the Option Pool for the grant of Options under this Plan. The Option Pool initially equals ten percent (10%) of the Company's issued and outstanding Common Shares on a fully diluted basis, being eleven thousand one hundred and eleven (11,111) Common Shares. The reserved Common Shares represent authorised but unissued capacity; the Company shall procure shareholder approval and the corresponding increase to its registered share capital at the National Business Centre ("QKB") at the time of each Option exercise.

2.2 Adjustments

In the event of any subdivision, consolidation, reclassification, stock dividend, capital reorganisation, merger or other similar change affecting the Common Shares, the number of Common Shares reserved under the Plan, the number subject to outstanding Options, and the Exercise Price thereof, shall be adjusted in the manner the Board determines is equitable in accordance with Section 11 of this Plan and Section 3.6.3 of the Shareholders Agreement.

2.3 Recycling of Forfeited Options

If an Option expires, terminates or is forfeited without having been fully exercised, the underlying Common Shares shall again become available for grant under this Plan.

Company. Founders shall not be granted Options in respect of their Founder Shares but may, in the discretion of the Board, receive Option grants for incremental service contributions.

3.2 Non-Discrimination and Board Discretion

The Board has sole discretion to determine which eligible persons shall receive Option grants, the number of Common Shares subject to each Option, the Exercise Price, vesting terms and any other terms not inconsistent with this Plan.

4. Administration

4.1 Board Administration

The Plan shall be administered by the Board, which shall have full authority to: (a) determine Participants and the terms of all Options; (b) interpret the Plan and any Award Agreement; (c) prescribe, amend and rescind rules relating to the Plan; (d) accelerate vesting in whole or in part in any individual case; and (e) take any other action it determines necessary or advisable for the administration of the Plan.

4.2 Delegation

6. Vesting

6.1 Default Vesting Schedule

Unless otherwise specified in the applicable Award Agreement, Options shall vest over a period of four (4) years from the Participant's Start Date, with twenty-five percent (25%) vesting on the first anniversary of the Start Date (the "Cliff") and the remaining seventy-five percent (75%) vesting in equal monthly instalments over the following thirty-six (36) months. "Start Date" means the date the Participant commences continuous service to the Company, as recorded in the Award Agreement.

6.2 Continuous Service Requirement

Vesting is conditioned upon the Participant's continued service to the Company on each applicable vesting date, except as otherwise provided in this Section 6, the applicable Award Agreement, or the Shareholders Agreement.

6.3 Acceleration on Change of Control (Double Trigger)

Consistent with Section 3.4 of the Shareholders Agreement, in the event of a Change of Control followed within twelve (12) months by the termination of the Participant's service without Cause or the Participant's resignation for Good Reason, one hundred percent (100%) of the Participant's unvested Options shall accelerate and become immediately exercisable.

6.4 Acceleration on Death or Permanent Disability

In the event of a Participant's death or permanent disability during continued service, the Participant (or the Participant's estate) shall vest in a pro-rata portion of any Options that would have vested on the next scheduled vesting date.

6.5 Board Discretion to Accelerate

The Board may, in its sole discretion and on a case-by-case basis, accelerate vesting of any Option in whole or in part.

7. Exercise of Options

7.1 Exercise Procedure

A Participant may exercise vested Options by delivering to the Company: (a) a written notice of exercise specifying the number of Common Shares to be acquired; (b) payment of the Exercise Price in cash, by bank transfer, or by such other method approved by the Board (including, where permitted by the Board, a net-exercise mechanism); and (c) any tax withholding amount determined by the Company.

7.2 Issuance of Common Shares

Subject to receipt of all required documentation and payments, the Company shall procure, as soon as reasonably practicable following exercise: (a) the necessary shareholder resolution to increase the registered share capital; (b) the filing of the corresponding amendment to the Statute at the QKB; and (c) the issuance and registration of the Common Shares in the name of the Participant.

7.3 Adherence to Shareholders Agreement

As a condition to issuance of Common Shares upon Option exercise, the Participant shall execute a Deed of Adherence in the form contemplated by the Shareholders Agreement, agreeing to be bound by its terms as a Shareholder.

8. Termination of Service and Post-Termination Exercise

8.1 Termination for Cause

If a Participant's service is terminated for Cause, all Options (whether vested or unvested) shall immediately terminate and be forfeited without compensation.

8.2 Resignation or Termination without Cause

If a Participant's service ends for any reason other than Cause, death or permanent disability:

(a) all unvested Options shall be forfeited as of the date of cessation; and

(b) vested Options may be exercised for a period of ninety (90) days following the date of cessation, after which any unexercised Options shall lapse.

8.3 Death or Permanent Disability

If a Participant's service ends due to death or permanent disability, vested Options (after applying any pro-rata acceleration under Section 6.4) may be exercised for a period of twelve (12) months following the date of cessation by the Participant or the Participant's legal representative.

8.4 Extension by Board

The Board may, in its discretion, extend any post-termination exercise period, provided such extension does not extend beyond the maximum term of the Option specified in Section 5.4.

9. Transfer Restrictions

9.1 Non-Transferability

Except as set out in this Section 9, Options may not be sold, pledged, assigned, transferred or otherwise disposed of by a Participant other than by will or the laws of intestate succession.

Common Shares acquired upon Option exercise shall be subject to the transfer restrictions, ROFR, tag-along, drag-along and other provisions of the Shareholders Agreement applicable to Common Shares generally.

10. Representations and Tax Matters

10.1 Participant Representations

As a condition to exercise, the Participant shall represent that the Common Shares are being acquired for the Participant's own account, for investment purposes, and not with a view to resale or distribution in violation of applicable law.

10.2 Tax Withholding

The Company may withhold from any payment due to a Participant, or require the Participant to remit to the Company, any amount necessary to satisfy applicable tax withholding obligations under Albanian law. The Participant shall be solely responsible for any personal tax consequences of receiving, vesting in, exercising or holding Options or Common Shares hereunder.

10.3 Compliance with Law

Notwithstanding any other provision of this Plan, the Company shall have no obligation to issue Common Shares upon exercise of an Option if such issuance would violate any applicable law.

11. Adjustments

In the event of any subdivision, consolidation, reclassification, stock dividend, recapitalisation, merger, share exchange or other similar transaction affecting the Common Shares, the Board shall make such proportional adjustments as it deems equitable to: (a) the number of Common Shares reserved for issuance under the Plan; (b) the number of Common Shares subject to each outstanding Option; and (c) the Exercise Price of each outstanding Option. The Board's determination shall be final, conclusive and binding.

12. Corporate Transactions

12.1 Treatment in a Change of Control

In connection with a Change of Control, the Board may, in its discretion: (a) provide for the assumption or substitution of outstanding Options by the successor entity; (b) provide for the cash-out of Options at the per-share consideration payable in the transaction, net of any Exercise Price; (c) cause vested Options to be exercised immediately prior to the transaction with unexercised Options to lapse; or (d) accelerate vesting of Options in whole or in part, subject to any double-trigger provisions of Section 6.3 and the Shareholders Agreement.

13. Amendment and Termination of Plan

13.1 Amendment

The Board may amend, suspend or terminate the Plan at any time. No such amendment shall, without the consent of the affected Participant, materially impair the rights of such Participant under any then-outstanding Option, except as may be required to comply with applicable law or to preserve favourable tax treatment.

13.2 Shareholder Approval

Any amendment that materially increases the size of the Option Pool, materially changes the class of persons eligible to receive Options, or otherwise requires shareholder approval under the Shareholders Agreement or applicable Albanian law shall be subject to such approval.

14. Miscellaneous

14.1 No Right to Employment

Nothing in this Plan or any Award Agreement shall confer upon any Participant any right to continue in the service of the Company or interfere with the Company's right to terminate any service relationship at any time.

14.2 No Shareholder Rights

A Participant shall have no rights as a shareholder with respect to Common Shares subject to an Option until the Common Shares are actually issued to the Participant upon exercise.

14.3 Governing Law

This Plan shall be governed by and construed in accordance with the laws of the Republic of Albania.

14.4 Severability

If any provision of this Plan is held invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the invalid or unenforceable provision shall be deemed modified to the minimum extent necessary to make it valid and enforceable.

14.5 Conflicts with Shareholders Agreement

In the event of any conflict between this Plan and the Shareholders Agreement, the Shareholders Agreement shall prevail. Any term defined in the Shareholders Agreement and used but not separately defined in this Plan shall have the meaning set out in the Shareholders Agreement.
